### School Age Child Care Program

We offer dynamic fun curriculum that promotes active learning and creative thinking. Open Enrollment for the school year is held in July. Date and times will be posted on the District web site and Facebook pages. **You may also enroll at any of the Elementary Open Houses.** Open Enrollment for the summer is held in April. For more information call 630-9262 or please contact:

## Student Insurance

The District provides limited student accident coverage during school hours and activities. Claim forms are available at the District office.

## Bus Service

Transportation will be provided to students residing one mile or more from the school assignment. The following ineligible riders will be picked up for the safety of the children:

1. All students who would cross Highway 69 to get to school.
2. All students who would live on Highway 92.
3. All students who would have to walk along rural Highway 10 to reach Elkhorn Elementary.
4. Any other lower elementary students whose route is deemed unsafe as determined by the Superintendent or Deputy Superintendent.
5. All kindergarten students will be picked up. Kindergarten bus stops will be residential stops when safety regulations permit.
6. To conserve time and resources, bus stops will be pooled whenever possible. The minimum distance allowed between bus stops, by regulation, is no less than 500 feet. However, the standard is every other block when safety regulations permit.

\*Students will be picked up and dropped off at the same bus stop every day. Alternate drop location will not be permitted. (Split custody agreements between parents that both reside in the same district are allowed to have a stop for each parent.)

\*On return home, parents of Kindergarten and Pre-K students must be at the bus stop or students will be returned to their school.

\*If a parent is wanting transportation from a daycare, that information needs to be updated prior to the start of the new school year. The changes need to be made through the student's school.

\*The cut-off for adding bus stops (through school enrollment) is close of business on August 3<sup>rd</sup>. Late enrollees will need to go to an existing stop until the second full week of school. This allows for routes to be posted in the newspaper and ESSD website, on or before August 9<sup>th</sup>, for parent planning. After the first week of school, parents should contact the transportation department at (816) 630-9929 to potentially have the route adjusted for a closer bus stop.
